FLIGHT PREVENTED  
BECAUSE OF HIGH WIND.

Captain Baldwin Will Go Tonight  
If Conditions Are Right.

The high wind, which blew in gusts  
all day long, kept Captain Baldwin  
from making the flight he planned in  
the California Arrow Thursday eve-  
ning. There was a small sized crowd  
at the fair grounds, hoping for calm  
after the sun went down, but the wind  
continued and the ascension had to be

If the weather conditions today point  
to a chance for flight this evening,

Otherwise, he will begin to pack up his  
things for the return to New York,

The captain has fulfilled the terms

treated while in Norwich. His return  
in the future along aeronautical lines  
will be followed with interest by many  
friends in this city.

With every member in attendance,  
the adjourned meeting of the court of

\$300, while the salary of the president  
of the water board was allowed to re-

The remainder of the session was given
